

Loretta Braun, BSN, RN: Compassionate, Experienced, and Proactive Private Duty Nurse

Advancing Palliative Care Excellence in New Hampshire

Londonderry, New Hampshire Sep 17, 2025 ([Issuewire.com](https://www.issuewire.com)) - Loretta Braun, BSN, RN, a dedicated private duty nurse specializing in palliative care, is making a significant impact in the lives of patients and their families in Londonderry, New Hampshire. With a Bachelor of Science in Nursing from Rhode Island College, Loretta brings a wealth of knowledge and experience to her practice, prioritizing

patient comfort and quality of life.

Her approach to nursing is deeply rooted in compassion and a proactive attitude towards patient care. Loretta understands the complexities of palliative care and emphasizes the importance of communication, safety, and trust in her interactions with patients. Her mission is to ensure that every patient feels supported and valued, allowing them to focus on their well-being during challenging times.

With her extensive experience in palliative care, Loretta is well-equipped to handle the unique challenges that arise in this field. She works closely with patients and their families to create personalized care plans that align with their individual goals and preferences. This patient-centered approach fosters strong relationships built on trust and respect, which are essential for effective care.

As an experienced private duty nurse, Loretta attributes her success to her genuine passion for helping others. She provides flexible care solutions tailored to each individual's needs, whether that involves in-home support, assistance with daily activities, or emotional guidance. Above all, she is committed to enhancing the comfort, dignity, and quality of life of those she serves.
