

Majestic Sign Studio Sets New Standard for Multi-Location Office Rebranding Signage

Flatiron/Dragados Office Signage Completed Across Two States in 72 Hours Corona, CA – 22-Sep-2025

Corona, California Jan 3, 2026 ([IssueWire.com](https://www.issuewire.com)) - [Majestic Sign Studio](#), a full-service sign company specializing in *corporate office signage* and *multi-location signage solutions*, has successfully completed an ambitious rebranding project for Flatiron/Dragados across two states in just 72 hours. This milestone underscores Majestic's expertise in delivering *interior office signs*, *exterior building signage*, and *custom business signage* at scale—without sacrificing quality or speed.

The project, which included over 100 pieces of signage for Flatiron/Dragados' offices in Texas and California, demonstrates how Majestic's combination of in-house design, production, and installation capabilities streamlines even the most time-sensitive corporate rebranding efforts.

“From design and fabrication to final installation, each piece reflects our dedication to accessibility, precision, and quality. Big thanks to our amazing clients for trusting us to bring their brand to life in their spaces.”

72 Hours. Two States. One Unified Brand.

Flatiron/Dragados, a major player in the infrastructure sector, required an urgent brand transition across its regional offices. With a 3-day window, Majestic Sign Studio mobilized its design, production, and installation teams to ensure all [custom lobby signs](#), *building signs*, and directional signage were fabricated, shipped, and installed on time.

This project serves as a model for companies navigating rapid growth, mergers, or name changes—where brand consistency across locations is mission-critical.

What Made the Project Work

- **In-House Graphic Design:** Majestic's design team worked directly with Flatiron/Dragados stakeholders to align visuals with the new brand guidelines.
- **Streamlined Project Management:** Dedicated project manager Taylor Lee coordinated logistics, material sourcing, and installation across time zones.
- **Rapid Production & Installation:** The team's controlled production environment in Corona, CA, ensured both quality control and fast turnaround times.

Serving Corporate Offices Across Southern California and Beyond

While based in **Corona, California**, Majestic Sign Studio frequently executes national projects for organizations with distributed teams and locations. Their portfolio includes projects across **Riverside, San Bernardino, Orange, Los Angeles, and San Diego counties**, and they're equipped to coordinate with partners throughout the U.S.

Majestic's specialty in *office signage*, *custom lobby signs*, and *corporate rebranding signage* positions

them as a go-to provider for businesses needing seamless signage execution during transitions.
