

Maxim Stores to Release “The Maxim Slides” on Sunday, September 21, 2025

Baldwin Park, California Sep 22, 2025 ([IssueWire.com](https://www.issuewire.com)) - Maxim Stores has confirmed the official launch of its newest footwear design, The Maxim Slides. The model will be available beginning **Sunday, September 21, 2025**, exclusively through the company’s ecommerce platform, with a retail price of **\$29.99**.

Developed with a focus on everyday wear, The Maxim Slides are being introduced in a variety of options. Women’s sizes will be available in **Pink, Fuzzy Pink, and Sky Blue**, while men’s sizes will be offered in **Black and Grey**. Standard U.S. shoe sizing applies across all versions.

The slides mark the latest addition to Maxim Stores’ expanding collection, continuing the brand’s emphasis on designs that balance comfort, accessibility, and durability. According to the company, product development for this release was guided by customer feedback highlighting the importance of versatile, long-lasting footwear.

“Customer insights played a central role in shaping this launch,” said a spokesperson for Maxim Stores. “The goal has been to deliver an option that matches different styles while maintaining the durability our customers often highlight.”

About Maxim Stores

Founded in 2015, Maxim Stores is an ecommerce retailer specializing in designer slides. In its first year of operations, the company sold more than 25,000 pairs of its signature slides. Since then, it has continued to focus on producing accessible and durable designs that resonate with its growing customer base.
