

My Electric Store Launches India's First Fully Online Electrical Supplies Platform for Home Builders and Electricians

Offering branded switches, switchgears, wires, and LED lighting with expert consultation and nationwide delivery.

SHOP WITH EASE

TRUSTED QUALITY

100% GENUINE ELECTRICAL PRODUCTS
DELIVERED TO YOU

platform dedicated exclusively to electrical supplies, today announced the launch of its online store. The platform brings together top electrical brands including Legrand, Havells, Anchor, Hager, and more—making it easy for home builders, electricians, and retail buyers to compare, choose, and purchase authentic products from a single trusted source.

Unlike traditional distributors, *My Electric Store* is 100% online and focused on delivering fresh and genuine stock directly to customers. The store offers a wide range of products such as switches, switchgears, wires, industrial sockets, and LED lighting solutions. Every product is backed by brand warranties, transparent pricing, and expert consultancy services to help buyers make the right decisions for their projects.

With consultation services and shipping powered by Shipway, *My Electric Store* is committed to serving customers in Bangalore and across India. The store also provides specialized solutions for interior designers, contractors, and large-scale residential projects.

“Our vision is to bridge the gap between traditional wholesale markets and modern e-commerce convenience,” said the founder of *My Electric Store*. “By offering multiple brands in one place, we make it simple for professionals and households to get exactly what they need—on time and at the best possible value.”
