

Official Press Release: Miami Massage Championship and World Healer Day Happening This November 6-8th

Miami Massage Championship to Elevate the City's Global Wellness Status A New Era of Healing, Biohacking, and Transformational Bodywork Arrives

Miami, Florida Sep 5, 2025 ([Issuewire.com](https://www.issuewire.com)) - This November, Miami will host the inaugural **Miami Massage Championship**, a groundbreaking celebration of healing arts, wellness innovation, and global talent. Designed to position Miami as a world leader in holistic living, the event fuses competitive massage, biohacking activations, and live sessions with elite healers.

"Miami is the future of wellness culture," says Riko Chirito, visionary behind the event and world renowned massage therapist and Gold Medalist. "We are building a global stage for healing excellence that will attract many seeking wellness for years to come."

The international massage championship scene has boomed in only a few years, and now more top global body therapists are becoming well known. This is important because it sets a standard of what people have access to in terms of holistic medicine and health.

Highlights include:

- Elite massage competitions across diverse modalities

- Biohacking lounge featuring cutting-edge wellness tech
- On-site energy workers, spiritual guides, and holistic experts
- World Healers Day Expo debut

Dates: from November 6-8

Location: Bidding is Open for Sponsorship

The collage features a vertical poster on the left for the Miami Massage Championship, held from November 6-8. The poster lists activities like massage competition, world healers gathering, health fair, vendors, food, entertainment, seminars, workshops, classes, yoga, culture, healing, and biohacking. The website www.MiamiMassageChampionship.com is also listed. To the right of the poster is a photo of a man in a white shirt performing a massage on a client lying on a table. Further right is a promotional flyer for the 'OPEN MASSAGE COMPETITION AND OFFICIAL FLORIDA STATE CHAMPIONSHIP' with the Instagram handle @MIAMIMASSAGECHAMPIONSHIP. The flyer includes sections for participants (chance to win a free massage), spectators (chance to win a free massage by a champion), and sponsors/vendors/press (inquiries about partnerships). At the bottom of the flyer are several logos, including the Miami Massage Championship logo and others from local organizations like the Miami Beach Convention Center and the City of Miami.
