From Saint Joseph, Michigan, Pastor Reeves Abram launches Pastor Reeves Studio to share original Christian artwork, devotionals, and resources that bring Scripture to life.

Benton Harbor, Michigan Sep 13, 2025 ([Issuewire.com](https://www.issuewire.com)) - Pastor Reeves Abram, a lifelong artist and minister, has announced the opening of Pastor Reeves Studio, an online destination dedicated to faith-based creativity. Launched on July 30, 2025, the studio seeks to make Scripture visible through art and resources that encourage spiritual growth.

Blending timeless Biblical truth with modern creative tools, Pastor Reeves creates artwork designed to uplift, inspire, and glorify God. His pieces range from fine art prints and posters to devotionals and study materials, each crafted to remind believers of God's presence in daily life.

"My goal is to translate faith into visual form," said Pastor Reeves. "Every creation is prayerfully made with the hope that it will encourage hearts, strengthen faith, and serve as a visible expression of God's Word."
