

Premiere of Project 313 unveils groundbreaking creativity, and delivering an unforgettable experience.

Where vision meets impact — Project 313 sets a new standard for excellence.

Atlanta, Georgia Jan 3, 2026 (IssueWire.com) - JawJab Productions Announces the Premiere of *Project 313* at the 20th Annual PVIFF

Jaw Jab Productions proudly presents the feature film *Project 313*, a gripping and timely drama written and directed by **Jay Anthony White**. The film will premiere at the **20th Annual Peachtree Village International Film Festival (PVIFF)** on **Saturday, October 18th at 5:30 p.m.**, hosted at the Hyatt Villa Christina (4000 Summit Blvd NE, Atlanta, GA).

Project 313 explores the powerful intersections of race, justice, and humanity. The film follows the vastly different lives of five individuals whose paths converge in the wake of the tragic shooting of an unarmed teen. As emotions rise and tensions mount, their stories reveal the complexities of grief, accountability, and resilience in a fractured society.

The cast features a dynamic lineup including **Duwan Anderson, Jared Withrow, Big Herk, London Scott, Marcus Woods, Moe Millionz**, and more. Behind the camera, the project is fueled by an accomplished producing team, **Paris Jones, Anthony Cuffie**, and **Jay Anthony White**.

Produced under the banner of **JawJab Productions**, *Project 313* represents a bold cinematic statement that confronts pressing social realities while offering a deeply human narrative.

"This film was born from a need to tell stories that resonate with the struggles and triumphs of communities across America. It is both a mirror and a call to action," said director and writer Jay Anthony White.
