

## \*Raipur Institute of Technology Celebrates Engineering Day and Chhattisgarh Rajat Jayanti with 4-Day Techno Fusion\*

**Raipur, Chhattisgarh Sep 21, 2025 ([Issuewire.com](https://www.issuewire.com))** - Raipur Institute of Technology (RIT) successfully organized a four-day program from September 15 to 18 on the occasion of *Engineers' Day* and the *Silver Jubilee of Chhattisgarh*.

The event commenced with a **technical quiz competition**, followed by a **technical seminar** that evaluated the problem-solving skills of the students. On the final day, a **model and robotics exhibition** was organized, which drew great enthusiasm from participants and visitors.

The **chief guests** of the event were *Mr. Swaroop Chand Jain*, President, and *Engineer Shailendra Jain*, Secretary of the Mahanadi Education Society. In his address, Mr. Swaroop Jain emphasized the importance of innovation and entrepreneurship, inspiring students to embrace new ideas and self-reliance. Engineer Shailendra Jain highlighted the significance of **IDEALAB** in fostering creativity and innovation among students.

Along with the technical events, **cultural programs** added vibrancy and charm to the celebrations. Principal **Dr. Manish Saklecha**, in his address, appreciated the excellent participation and performances of the students. The chief guests also praised the talent and enthusiasm of the participants.

A **vote of thanks** was delivered by **Dr. Asha Ambharkar**, Dean Academics and Head of the CSE Department. The program was efficiently conducted by **Mr. Man Anon**, Assistant Professor of Soft

Skills, and **Mrs. Sandhya Chandrakar**, Assistant Professor of Chemistry.

The active participation of deans, heads of departments, faculty members, and students made *Techno Fusion 2025* a grand success, once again reaffirming RIT's excellence in nurturing talent and advancing engineering education
