Sirmaur, Himachal Pradesh Sep 8, 2025 ([Issuewire.com](https://www.issuewire.com)) - Rajiv Sharma Honored with Bharat Samaan 2025 Award for Leadership, Education & Skill Development

Renowned NLP Expert and Founder of NLP Limited Recognized for Transformative Contributions in

Leadership Training and Skill Development Across India

Rajiv Sharma, a leading figure in Neuro-Linguistic Programming (NLP) and corporate training, has been awarded the prestigious **Bharat Samaan 2025** in recognition of his exceptional contributions to leadership, education, and skill development in India. The award, presented by the Government of Arunachal Pradesh, celebrates Sharma's dedication to empowering individuals and organizations through innovative frameworks and training programs.

As the **founder and program director of NLP Limited**, Sharma has spent over 25 years transforming the corporate training landscape. His programs have reached more than 850,000 professionals across 52 countries, enhancing leadership effectiveness, sales performance, and employee engagement. He is the creator of the **MARK Model**, a performance framework designed to combine mindset, action, repetition, and knowledge to drive measurable results, as well as the **LeadFORTH framework** and AI-ENABLE tools for business growth and leadership development.

Sharma's holistic approach integrates identity-based coaching, behavioral psychology, and practical sales strategies, earning him accolades such as **Top 5 Global Sales Trainer by Global Gurus** and recognition as one of the **Top 10 NLP Global Gurus**. Beyond corporate training, he is a keynote speaker, author, and mentor, sharing insights on leadership, personal development, and sales excellence across conferences, books, and media platforms.

Commenting on the award, Sharma said:

"Receiving the Bharat Samaan 2025 is an honor, but my real reward lies in seeing professionals and organizations achieve their fullest potential. Leadership and skill development are not just about strategies—they are about transforming mindsets and empowering people to succeed."
