18th to 25th September

on a strong note as **The Tunes Club** is offering a discounted price on their promotional services with the latest Month-End Sale. The company is providing a massive **discount of 15%** on its [Spotify Promotion Services](#), which can help artists improve their global fan base, reach, and popularity in the industry. The sale is starting from **September 18** and it will be active till **September 25**, empowering all kinds of music artists, including singers, rappers, DJs, and even record label owners. The company is currently encouraging all kinds of musical personas to avail of this discount to enjoy the complete benefits of an effective promotional campaign within an affordable budget. The reduced price can especially help the independent and rising artists who have a limited budget and a strong need for exposure.

The Tunes Club specializes in Spotify Music Promotion and is capable of empowering music artists by following dynamic promotional strategies. The company combines playlist submission, content marketing, social media marketing, and other promotional methods together to form a highly effective campaign. This promotional campaign is able to provide the desired results for the artists, and it offers a long-lasting impact in the digital landscape. The company helps to improve the number of streams as well as monthly followers, which helps to gain more stream royalties and improves overall revenue. Besides, it can also help to gain attention from record labels and organizers, offering a fruitful opportunity for networking.

The music promotion agency provides a sum of four different promotional packages, and each of them comprises a handful of benefits for the artist. It starts with the **Spotify Marketing Package**, which is a beginner's package and helps to promote a single track through 60+ curated playlists on Spotify. It can provide around **3k to 3.5k listeners** along with web traffic and organic exposure. The next one is the **Spotify Promotion Pack**, which allows promoting two songs through 90+ curated playlists and provides around **7k to 7.5k listeners**. This package can also be bought at a weekly recurring system, where artists can promote new tracks every week. There is also the **Spotify Marketing Pro Pack**, which offers around **11k listeners** along with the benefits of paid press release distribution and music blog creation. The company utilizes social media platforms like Facebook, Twitter, and Instagram in order to help artists gain maximum attention from listeners and the media.

Lastly, there is **Spotify Promotion Pro Pack**, the ultimate promotional package for artists, where they can promote a total of **4 tracks** together through 180+ curated playlists on Spotify. It can provide up to **14k to 15k listeners** along with PR distribution, music blog, and artist review. The agency makes sure to send a detailed analytical report at the end of the campaign. With the latest Month End Sale, The Tunes Club is seeking to empower more artists with a **big discount of 15%** on the promotional packages. Hurry up, as the sale will be active for a short window, from **September 18 to September 25**. Visit the official website to know more.
