

## Rebecca Mountain-Pazell Brings Back an Endearing Character in her Sequel Book, *Ziggy: The Pig Who Loved Pasta*

**Olathe, Kansas Sep 11, 2025** ([Issuewire.com](http://www.Issuewire.com)) - Children's author Rebecca Mountain-Pazell is introducing young readers to a character destined to steal hearts in her new book, *Ziggy: The Pig Who Loved Pasta*. The book itself is a sequel to her first book, *Ziggy: The Pig Who Loved Sushi*. With charm, humor, and a touch of whimsy, this story celebrates the joy of food, the importance of family, and the

simple magic of everyday life.

## **A Story with Flavor and Heart**

At the center of the tale is Ziggy, a clever little pig with an extraordinary love for pasta. What begins as a humorous fascination quickly develops into something deeper. Ziggy's story unfolds around family traditions, the comfort of sharing meals, and the value of welcoming others. The narrative is playful enough to captivate children, yet layered with themes of kindness and connection that parents will appreciate.

Mountain-Pazell takes readers into a home filled with warmth and gentle humor. Characters interact in ways that feel familiar, echoing the small but meaningful moments that make families close. Ziggy's passion for pasta is more than just a funny quirk—it becomes a symbol for the way food brings people together.

## **A Fresh Take on Children's Storytelling**

Unlike many children's books that lean heavily on spectacle or fantasy, *Ziggy: The Pig Who Loved Pasta* stands out for its quiet, genuine charm. Mountain-Pazell doesn't simply entertain; she creates space for reflection and conversation. Children are encouraged to notice the world around them, to celebrate simple joys, and to find comfort in the things that make them unique.

The story is written with a rhythm that makes it ideal for reading aloud. Parents will enjoy sharing it just as much as children will enjoy hearing it. Its humor is light, its message is heartfelt, and its style is engaging without being complicated. In a market crowded with loud, fast-moving stories, Ziggy feels refreshingly grounded.

## **Storytime That Stays with You**

Just like its prequel, *Ziggy: The Pig Who Loved Pasta* is more than just a bedtime read. It's a story designed to create memories. Young readers will laugh at Ziggy's antics, but they'll also take away an understanding of why kindness matters and why traditions should be cherished. Families may even find themselves inspired to spend more time cooking and eating together.

Food, especially pasta, becomes an anchor in the story—a reminder that meals are about more than eating. They are about sharing, bonding, and making life a little brighter. Mountain-Pazell captures this sentiment with a light hand, leaving room for readers to see their own family traditions reflected in Ziggy's adventures.

## **A Book for Homes, Schools, and Libraries**

With its lively main character and universal themes, *Ziggy: The Pig Who Loved Pasta* is well-suited for classrooms and story hours as well as family reading. Teachers will find it useful for sparking discussions about culture, family life, and the simple ways we show love. Parents will appreciate its warmth, while children will simply enjoy Ziggy's lively personality and her love of food.

## **About the Author**

Rebecca Mountain-Pazell writes with a heartfelt commitment to stories that nurture empathy, imagination, and joy in children. Her work is inspired by the connections that make family life

meaningful, and she has a gift for weaving those values into engaging narratives and aims to educate readers on Italian history through food. With careful research, in *Ziggy: The Pig Who Loved Sushi* and *Ziggy: The Pig Who Loved Pasta*, she brings to life a character who is both funny and endearing, while also offering gentle lessons that resonate across generations. Mountain-Pazell's storytelling is rooted in authenticity and warmth, ensuring her books remain favorites long after the first read.
