

Roland R. Craft, III, MD, FACS: Board-Certified General Surgeon with Lexington Surgery

Expanding Surgical Expertise in West Columbia and Columbia, South Carolina

West Columbia, South Carolina Sep 17, 2025 ([IssueWire.com](https://www.issuewire.com)) - Roland R. Craft, III, MD, FACS, is a highly skilled board-certified general surgeon with Lexington Medical Center and is proud to be a part of the esteemed team at Lexington Surgery in West Columbia and Columbia, South Carolina. With a wealth of experience in both routine and complex surgical procedures, Dr. Craft strives to enhance the surgical care provided to the community.

Bringing an extensive background in general surgery, Dr. Craft has transitioned from private practice in Columbia, where he honed his skills specializing in various surgical fields. His expertise encompasses general, thoracic, breast, and colorectal surgeries, making him a valuable addition to the Lexington Surgery team. The facility is committed to delivering exceptional surgical care, and Dr. Craft's appointment aligns perfectly with this mission.

A graduate of the Medical University of South Carolina College of Medicine, Dr. Craft earned his Medical Degree in 2001. He completed his internship and residency in surgery at Prisma Health/University of South Carolina SOM, Columbia, where he developed a strong foundation in surgical techniques and patient care. Following his residency, Dr. Craft further distinguished himself by completing a fellowship in surgical critical care, equipping him with advanced skills and knowledge to manage complex surgical cases.

In addition to his clinical practice, Dr. Craft is a Diplomate of the American Board of Surgery and a Fellow of the American College of Surgeons. He maintains active memberships in several professional organizations, including the American Medical Association, the South Carolina Medical Association, the Southeastern Surgical Congress, and the Society of American Gastrointestinal Endoscopic Surgeons. His commitment to continuing education and professional development reflects his dedication to staying at the forefront of surgical innovation and best practices.
