

ROYOSO and SKYUX Join Forces to Lead a New Era of Compliance and Socially Responsible Global Finance

Alacant, Spain Sep 28, 2025 ([Issuewire.com](https://www.issuewire.com)) - Global investment platform **ROYOSO International Investment Group LLC** has announced its continued strategic support for **SKYUX Web3 Exchange Inc.**, joining hands to build a **legally compliant, open, and mutually beneficial financial ecosystem**. Together, the two institutions are set to drive innovation in blockchain finance while advancing meaningful social impact initiatives.

SKYUX: Six Years of R&D, Compliance First

The SKYUX project began in 2019, with two years dedicated to system architecture and core code development. It launched beta testing in 2022 and officially commenced global operations in 2025. From its inception, SKYUX has upheld the principle of “**compliance first, security as the foundation.**” The platform was among the first in the industry to establish comprehensive **KYC/KYB identity verification, anti-money laundering and sanctions screening, encryption and audit tracking systems**. In addition, SKYUX continues to innovate in areas such as **AI-driven trading and multi-chain integration**, positioning itself as the next-generation compliant digital asset exchange.

ROYOSO: A Long-Term Advocate of Responsibility and Social Good

Founded in 1996 as a family-owned enterprise, ROYOSO has, for nearly three decades, remained committed to its core values of **integrity and responsibility** while building a solid reputation in international markets. In 2025, ROYOSO unveiled a renewed brand identity and entered a new phase of

its global strategy through its partnership with SKYUX. While maintaining its tradition of stability and credibility, ROYOSO emphasizes **social responsibility and philanthropic practice**, leveraging the power of capital and technology to promote inclusive finance and generate real social value — helping underprivileged communities improve livelihoods, reduce poverty, and achieve economic empowerment.

Shaping the Future Together: Compliance · Social Impact · Shared Growth

With ROYOSO's long-term support, SKYUX has rolled out key ecosystem initiatives including **AI trading signals, global agent partnerships, and user incentive programs**. These not only enhance user experience but also ensure the platform's long-term resilience in a competitive landscape through **transparent and compliant operations**. Looking forward, the two companies will continue to collaborate across four pillars: **technological innovation, global compliance, community co-governance, and social impact expansion**.

The partnership of **ROYOSO × SKYUX** represents more than the convergence of capital and technology — it is also the extension of responsibility and social purpose.

?? Compliance & Legitimacy – Safeguarding global trust
Openness & Shared Growth – Unlocking future wealth opportunities
Social Impact – Making finance warmer and more human
