

Salonist Marketplace Expands to 100+ Cities, Connecting Clients with Top Beauty Experts

Elkhart, Indiana Sep 26, 2025 ([Issuewire.com](https://www.issuewire.com)) - Salonist Marketplace, the leading platform for discovering and booking beauty and wellness services, proudly announces its expansion into **100+ cities worldwide**. This significant milestone reinforces its mission to make professional beauty services more accessible while helping salons and wellness providers grow their businesses.

With this expansion, Salonist Marketplace is now home to **thousands of verified salons, spas, barbers, nail studios, and wellness professionals**, offering customers a convenient way to book everything from haircuts and nail care to skincare, lashes, waxing, and wellness treatments.

“Our vision has always been to bridge the gap between clients and beauty professionals,” said **Neeraj Gupta, Director of [Salonist Marketplace](#)**. “Expanding into 100+ cities means more clients can easily discover trusted experts, while businesses gain visibility and steady bookings. This is a win-win for both sides.”

What the Expansion Means for Clients and Businesses

- **For Clients:** Easy access to local, verified beauty experts with instant booking options.
- **For Businesses:** Increased visibility, online booking tools, and access to a wider customer base.
- **For the Industry:** A digital shift that brings convenience, transparency, and growth opportunities across beauty and wellness sectors.

Salonist Marketplace’s growth reflects the increasing demand for digital booking platforms that simplify client connections with service providers. By combining verified listings, real reviews, and hassle-free booking, the platform is redefining how beauty and wellness services are discovered and experienced
