

Shaquita Woodard, RN: Experienced Cardiac Nurse at UAB

Championing Excellence in Cardiac Care and Patient Wellness in Birmingham, Alabama

Birmingham, Alabama Sep 24, 2025 ([Issuewire.com](https://www.issuewire.com)) - Shaquita Woodard, RN, a committed and experienced nursing professional, is making a meaningful impact in cardiac care through her clinical expertise and dedication to patient well-being. With a career spanning over a decade in diverse healthcare roles, Shaquita has consistently demonstrated a passion for helping others and advancing healthcare practices.

Shaquita currently serves as a Registered Nurse at UAB Medicine in Alabama, a position she has held since April 2024. Previously, she was Charge Nurse at Grandview Medical Center from February 2018 to June 2020, where she led clinical teams and ensured high standards of patient care. Her early professional experience includes roles as a Registered Nurse and Licensed Practical Nurse at Always There In-Home Care (2016–2018) and as a Patient Care Technician at St. Vincent's Hospital Birmingham (2010–2012). Across all these roles, Shaquita has been recognized for her patient-centered approach, leadership, and unwavering commitment to clinical excellence.

Shaquita's educational journey underscores her dedication to professional growth. She graduated from Huffman Magnet High School in 2003, where she actively participated in FBLA and the Women's Choir, laying the foundation for her leadership and collaborative skills. In 2017, she earned her Associate of Science in Registered Nursing from Herzing University, alongside a Diploma in Licensed Practical/Vocational Nurse Training during the same period.

Driven by faith and a deep passion for helping people, Shaquita attributes her career success to her commitment to service and the positive impact she can make on patients' lives. She is also pursuing opportunities to contribute to healthcare publications, sharing her knowledge and experience to inspire other nursing professionals.

As Shaquita Woodard continues to advance in her nursing career, her impact on cardiac care and patient wellness remains steadfast, exemplifying the heart of healthcare.
