

Shayan Tajbakhsh: Iranian Pianist and Composer Making Waves Internationally

Bringing contemporary classical and new age music to international audiences

Tehran, Iran Jan 5, 2026 ([Issuewire.com](https://www.issuewire.com)) - Shayan Tajbakhsh: Iranian Pianist and Composer Making Waves on the Global Stage

Shayan Tajbakhsh, acclaimed pianist, composer, and educator, is capturing international attention with his unique blend of contemporary classical, new age, and cinematic soundscapes. With recent releases on major platforms like Spotify, Apple Music, and SoundCloud, Tajbakhsh is establishing himself as one of Iran's most promising musical voices.

Born in 1990 in Tehran, Shayan began his musical journey at the age of ten under the mentorship of legendary maestros Fariborz Lachini and Anoushiravan Rohani. Today, he combines traditional Persian sensitivity with modern piano artistry, creating music that resonates with audiences worldwide.

His most recent works — including *Waves of Desire* (2025), *Steps to Eternity* (2024), and *Breeze of Love* (2024) — have been praised for their emotional depth and cinematic quality. In addition to his recordings, Tajbakhsh is the author of “25 Love Pieces”, a published collection of compositions for intermediate and advanced pianists.

“Music is not just notes on a page — it is the bridge between emotions and memories. My goal is to create pieces that speak directly to the soul,” says Tajbakhsh.

With more than 25,000 followers on Instagram and a growing international fanbase, Shayan Tajbakhsh continues to expand his global presence through live performances, teaching, and collaborations.
