Acclaimed worship artist and prophetic voice Shedi Philsz will host his first-ever live studio recording, *Unlocked: Just Us and the Mic* (<https://www.facebook.com/share/1AF8FUhDVz/?mibextid=wwXlfr>), an intimate worship experience designed to usher in a divine encounter. This pre-launch event sets the stage for Shedi's highly anticipated concert, *Unlocked*, scheduled for November 2026.

Held in a sacred studio setting, *Just Us and the Mic* will feature a curated lineup of local VIP artists, each bringing their unique sound to create a collective offering—a “significant sound to heaven.” The evening begins with a red carpet reception at **16:50 GMT**, followed by the live recording at **17:35 GMT**.

“This is meant to be personal,” Shedi shares. “We are seeking to create an atmosphere that will produce a sweet aroma towards heaven, and then those in the room will have an opportunity to have a real encounter with God.”

More than a concert, this is a consecrated moment—a sonic altar where worship becomes a fragrance and every voice contributes to a heavenly harmony. *Just Us and the Mic* (https://www.tiktok.com/@shedi.philsz?_r=1&_t=ZT-91SbfWzhdc5) invites attendees into a space of vulnerability, reverence, and spiritual intimacy.
