

Sheena Vo-Yniguez: Transforming Patient Care in Otolaryngology Head and Neck Surgery at Keck Medicine of USC

Los Angeles Nurse Manager Redefines Healthcare Excellence Through Compassionate Leadership

Westminster, California Sep 2, 2025 ([IssueWire.com](https://www.issuewire.com)) - Sheena Yniguez, a top Nurse Manager specializing in Otolaryngology Head & Neck Surgery at Keck Medicine of USC, is making significant strides in transforming patient care in the field of medicine. With a profound commitment to enhancing the quality of life for her patients, Sheena has established herself as a respected leader and advocate for best healthcare practices.

Since earning her Associate Degree in Nursing from Career Networks Institute in 2016, she followed with a Bachelor of Science in Nursing from West Coast University in 2017. Sheena has dedicated her career to the intricacies of nursing, from her time at bedside in multispecialty ICUs, Clinic Administrative Supervisor, to her most recent role as the Nurse Manager at the Department of Otolaryngology and Head & Neck Surgery Clinic. Her extensive training and hands-on experience enable her to lead with confidence, ensuring that her team provides the highest level of care while fostering a supportive environment for patients.

Sheena's approach to nursing is founded on the principles of communication, safety, and trust. She believes that these core values are essential in building strong relationships with patients, ensuring they feel heard and supported throughout their healthcare journey. "I want my patients to know they are never alone in their struggles," Sheena stated. "My goal is to make a meaningful impact on their lives every day."

Throughout her career, Sheena has been recognized for her unwavering dedication and exceptional performance. She has received numerous accolades, including the Pain Assessment and Reassessment Recognition Award, the Daisy Team Award, and has been featured in the Care for the Caregiver Newsletter. Additionally, she is an active member of several professional organizations, including the Association of California Nurse Leaders and the American Nurses Association.

As a Nurse Manager, Sheena oversees clinic operations within the ENT surgical service line, focusing on patient care coordination, staff supervision, and regulatory compliance. Her leadership skills have been instrumental in the successful relocation and expansion of clinic services, as well as the implementation of innovative technologies such as VECTRA imaging.

Sheena attributes her success to her upbringing and the values instilled in her by her family. "I strive to make them proud every day," she reflects. "Compassion is at the heart of what I do, and I am committed to ensuring that every patient feels valued and cared for."
