

Stanford Health Care Recognizes Dr. Louisa Ustrzynski's Impact in Neurosurgery

Celebrating a Leader in Advanced Practice Nursing and Comprehensive Patient Care

Palo Alto, California Sep 4, 2025 ([Issuewire.com](https://www.issuewire.com)) - Stanford Health Care is proud to highlight the significant contributions of Louisa Ustrzynski, DNP, MBA, a seasoned advanced practice provider in the Department of Neurosurgery. With over 15 years of nursing experience, Dr. Ustrzynski has dedicated nearly a decade to enhancing the lives of patients with challenging neurological conditions since joining Stanford Neurosurgery in 2016. Her extensive background in critical care, intensive care, and stroke management has uniquely positioned her to deliver exceptional care to both inpatient and outpatient

neurosurgical patients.

Dr. Ustrzynski's clinical expertise encompasses a broad spectrum of neurological disorders, including benign and malignant brain and spinal tumors, vascular malformations, and neurogenetic conditions. Her collaborative approach ensures that patients receive comprehensive, multidisciplinary care, particularly through her close partnership with the Radiation Oncology team at Stanford. This commitment to holistic patient outcomes underscores her role as a pivotal figure in the management of complex neurological diagnoses.

Dr. Ustrzynski earned her Bachelor of Science in Nursing from the University of San Francisco and her Master of Science in Nursing from San Francisco State University. Following these achievements, she obtained her Doctor of Nursing Practice and an MBA, which provide her with both clinical proficiency and operational acumen. She is board-certified by the American Academy of Nurse Practitioners and actively participates in several professional organizations, including Sigma Theta Tau, the American Association of Neuroscience Nurses, the American Association of Nurse Practitioners, and the California Association of Nurse Practitioners.

Stanford Health Care is proud to have Dr. Louisa Ustrzynski as part of its distinguished team, where her expertise and dedication continue to set a high standard in the field of neurosurgery and advanced practice nursing.
