

Sugar Sugar Celebrates Remarkable Year-Over-Year Growth and Expanding Franchise Network

Sugar Sugar Achieves Record Growth as Clean Beauty Leader Expands Nationwide, Creating New Franchise Opportunities for Entrepreneurs

Houston, Texas Sep 9, 2025 ([IssueWire.com](https://www.issuewire.com)) - Sugar Sugar™, the nation's premier clean beauty franchise, proudly announces record-setting year-over-year growth across its franchise locations, alongside an exciting wave of new studios opening their doors nationwide.

The past year has marked a period of unprecedented momentum for Sugar Sugar™. Studios across the country have seen **significant revenue growth month after month**, with multiple locations more than doubling their results from the year prior. This impressive performance reflects not only the rising demand for **clean beauty services** but also the proven strength of Sugar Sugar's unique business model.

Meeting Client Demand With Comfort and Care

Sugar Sugar has redefined hair removal and beauty services through **Comfort Sugaring™**, its

signature, less-painful alternative to waxing. Combined with organic spray tanning, vegan facials, and **Brow Science™**, each location delivers a modern, clean, and client-focused beauty experience. The results are clear: clients love the difference, and franchisees are benefiting from strong loyalty and repeat business.

Expansion Across the U.S.

With franchise partners opening in thriving markets from **Arizona, Florida, Texas, and others**, Sugar Sugar has quickly become one of the most sought-after names in the clean beauty franchise world. In addition to robust growth from established studios, new studios in Maryland, North Carolina, California, and Florida are set to join the family, ensuring even more clients across the U.S. will soon experience Sugar Sugar's innovative approach.

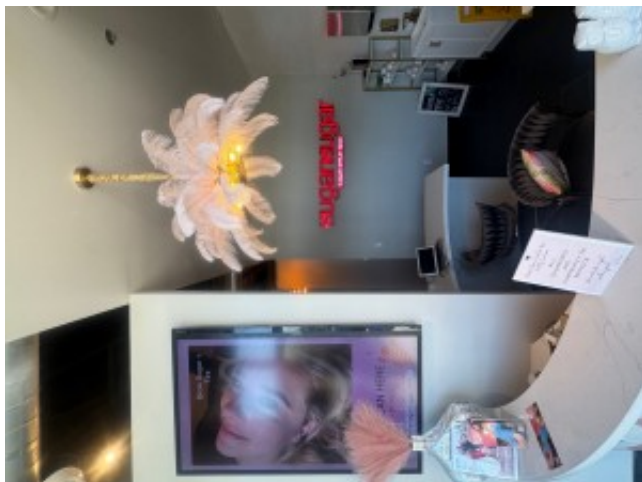

A Sweet Future for Franchisees

“Sugar Sugar’s year-over-year growth is more than numbers. It’s proof of passion, innovation, and the future of beauty,” said Jeri Lucco, National Development Director at Sugar Sugar. “Our franchise partners are thriving because they’re delivering what today’s clients truly want: safe, natural, and most importantly, effective services in an uplifting environment.”

With momentum continuing to build, Sugar Sugar is positioned as a **leader in sugaring franchise opportunities in the beauty industry**, providing entrepreneurs with a business model that’s profitable, scalable, and future-focused.

About Sugar Sugar

Sugar Sugar is a woman-driven, client-focused beauty franchise delivering a clean, modern alternative to traditional hair removal and beauty services. With offerings that include Comfort Sugaring™, organic spray tanning, vegan facials, and Brow Science™, Sugar Sugar is redefining the future of clean beauty — one community at a time.
