The cat is out of the bag Pre production on a R Kelly TV Show has just begun

## Atlanta, Georgia Feb 5, 2026 ([IssueWire.com](http://IssueWire.com)) - LEAKED: Top-Secret Entertainment Project Shakes Industry, Reveals Explosive Casting and Storyline

A highly anticipated and supposedly top-secret entertainment project has reportedly been leaked, sending shockwaves through the industry. Executive discussions are said to be buzzing after details emerged regarding a powerful new TV series based on the life of R. Kelly and his family, with a cast that promises to deliver an unprecedented dramatic portrayal.

Sources close to the project indicate that Grammy-winning artist Mario is slated to take on the challenging role of R. Kelly. Acclaimed actress Taraji P. Henson is rumored to be playing Joann Kelly, R. Kelly's mother, while James Luke is reportedly cast as Carey Kelly.

The project is believed to be closely tied to Carey Kelly's new book series, "The Kelly Chronicles Volume 1," which is already generating significant buzz. The powerful series details the struggles of growing up on the South Side of Chicago with his superstar brother and two other siblings.

It bravely recounts how they overcame molestation, abuse, and the traps of the neighborhood to eventually tour the world and grace stages everywhere. The book also delves into the deep rift within the family, exploring the wounds many families face and Carey's current journey to heal. The show will eventually depict the downfall of one of music's biggest superstars. There is rumored to be a star studded powerhouse R&B soundtrack to go along with the new TV Series! R Kelly's younger brother has Teamed up Lovell Jones of Urban City Ent to bring this compelling story into homes across the globe.

"The Kelly Chronicles Volume 1" is available now on [Amazon.com](http://Amazon.com) in paperback, e-book, and audio formats.
