

Vehicleinfo Launches Instant FASTag Recharge Service Online

Surat, Gujarat Nov 11, 2025 ([Issuewire.com](https://www.issuewire.com)) - Vehicleinfo, India's most trusted vehicle services platform with **10 crore+ app downloads** and a **4.5+ star rating**, has launched its **[FASTag Recharge Online Service](#)**. This new feature enables commuters and travelers to instantly recharge their FASTag accounts at any time, ensuring seamless toll payments nationwide.

A Smarter Way to Travel

FASTag has transformed toll collection in India, but many users still face issues like low balance, recharge delays, or juggling multiple bank apps. Vehicleinfo now solves these challenges by offering:

- **Instant Balance Updates** – Recharges reflect in real-time, preventing toll delays.
- **Multiple Secure Payment Options** – UPI, cards, net banking, and wallets.
- **24/7 Recharge Availability** – Recharge anytime, anywhere.
- **Safe Transactions** – SSL encryption ensures complete payment security.

At Vehicleinfo, our mission is to simplify the driving experience for every Indian. With FASTag recharge now live, alongside our challan check and e challan payment services, we're helping millions save time, avoid fines, and travel worry-free.

Integrated with Challan Check & E Challan Payment

In addition to FASTag recharge, Vehicleinfo continues to lead in **traffic challan management**. Users can:

- **Check challan status instantly** with just a vehicle number.
- **Complete [e challan payment](#) online** quickly and securely.
- **Stay compliant** by clearing penalties without visiting RTOs or government offices.

By integrating FASTag recharge with challan services, Vehicleinfo positions itself as a **complete mobility app** for India.
