

What Was Hidden Can No Longer Stay Silent Author Pearl Truesdale Unveils The Green Book:The Path to the Forgotten Wisdom

Austin, Texas Sep 19, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Author and faith-driven storyteller Pearl Truesdale releases a breathtaking new novel, *The Green Book: The Path to the Forgotten Wisdom*, a sweeping tale where danger, mystery, and divine truth collide in the deserts of Morocco.

At the heart of this spiritual adventure is Rosa, a young woman forged by loss, resilience, and the unrelenting beauty of the desert. With her steadfast companion, Butterfly the camel, Rosa stumbles into a sandstorm that uncovers more than shifting sands; it reveals an emerald-colored book glowing with forgotten wisdom. Within its ancient pages are whispers of sacred scrolls, divine mysteries, and truths long buried.

What begins as survival becomes a divine summons. Guided by faith, haunted by silence, and strengthened by the legacy of her parents, Rosa embarks on a perilous journey where the past speaks, the unseen watches, and the line between fear and faith is tested at every step.

The Green Book is more than a novel, it is a living allegory of faith, hope, and perseverance. Truesdale blends vivid desert landscapes, heart-pounding suspense, and biblical echoes into a story that asks every reader:

This is for those who dare to seek what was forgotten. Those who believe what others buried, and for those, who endure the wilderness to find the wisdom of God.

“This book was born out of faith, discovery, and perseverance,” says Truesdale. “It is for anyone seeking courage in their journey, comfort in God’s promises, and hope that what is lost can be found again.”
