**Barcelona, Spain Oct 28, 2025** ([Issuewire.com](http://Issuewire.com)) - **ScitechSeries** cordially invites you to join us at the "[3rd European Conference on Dentistry and Oral Health](#)" (**Dentistry 2026**), scheduled as a Hybrid Event on May 20-21, 2026, in Barcelona, Spain.

The primary focus of the conference will be on the theme "**The Future of Oral Health: Personalized and Preventive Care.**"

**Dentistry 2026** is an annual event that brings together global Dental experts to facilitate the exchange of the latest insights on factors influencing dental diseases and oral healthcare. This international conference, occurring at a critical juncture, will primarily focus on recent notable oral cases. It is tailored to cater to the interests of faculty members, researchers, dentists, scientists, healthcare practitioners, clinicians, oral healthcare specialists, caregivers, industry representatives, and Dental professionals. Also, this conference has distinguished keynote presentations, interactive panel discussions, oral abstract presentations, poster sessions, and a diverse array of scientific and Dental equipment exhibitors, all contributing to a comprehensive program. The Congress is committed to upholding its reputation for excellence by delivering timely exploration of cutting-edge topics in the realm of emerging Dentistry.

We extend a warm invitation to **Dentistry 2026** to address the challenges posed by dentistry.
