

3rd Global Summit on Nursing and Midwifery

Nursing 2026

Barcelona, Catalunya Oct 28, 2025 ([Issuewire.com](https://www.Issuewire.com)) - Welcome to the [3rd Global Summit on Nursing and Midwifery](#), hosted by [Scitechseries](#), where innovation converges with excellence in healthcare delivery. Set against the dynamic backdrop of Barcelona, Spain on May 20-21, 2026. Nursing 2026 is poised to revolutionize the experience for nursing and midwifery professionals worldwide.

Themed “**Innovations and Leadership in Nursing & Midwifery: Shaping the Future of Healthcare**,” this summit celebrates the pivotal role of nurses and midwives in shaping the future of healthcare. With a focus on advancing practice, policy, and research, [Nursing 2026](#) serves as a beacon of knowledge, collaboration, and inspiration.

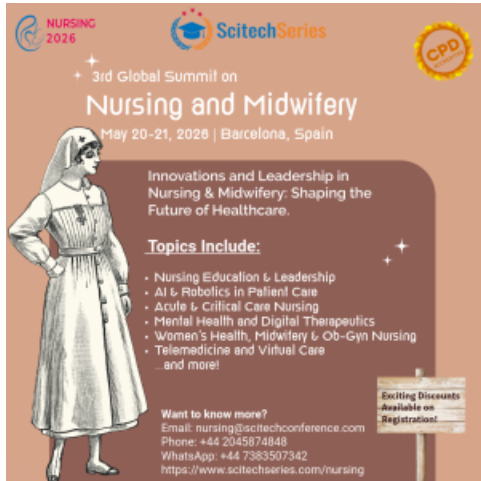

Explore cutting-edge advancements in nursing education, as pioneering educators unveil innovative teaching strategies tailored to meet evolving healthcare needs. Gain insights into acute, critical, and emergency care from seasoned practitioners dedicated to excellence in patient care.

Delve into evidence-based practice, where meticulous research intersects with clinical expertise to drive optimal outcomes across various specialties, including mental health and psychosocial care.

Engage in discussions on interdisciplinary collaboration in case management, patient advocacy, and healthcare policy. From specialized tracks in oncology nursing to pediatric care, Nursing 2026

offers expert-led sessions, workshops, and hands-on demonstrations.

Join us in Barcelona as we ignite a movement towards a future where healthcare transcends boundaries, excellence is the norm, and nurses and midwives lead with innovation and compassion. Register now for Nursing 2026 and be part of shaping the future of nursing and midwifery. CPD hours available
