

A Journey Into the Heart of God: New Book “Divine Encounters” Unlocks the Power Behind His Names

Damiano B. Centola’s Latest Work Restores Awe and Intimacy Through the Living Promises of God’s Names

Los Angeles, California Oct 28, 2025 ([IssueWire.com](http://www.IssueWire.com)) - What if every name of God was more than a title—but a living promise, an invitation to encounter Him anew?

In [*“Divine Encounters: Discovering the Depth and Power of God’s Names”*](#), biblical author and teacher Damiano B. Centola explores the meaning of twenty-four biblical names of God, showing how each one reveals His character, presence, and power. More than designations, these names are doorways into deeper intimacy, renewed faith, and personal transformation.

From Jehovah Jireh (The Lord Who Provides) to El Shaddai (The All-Sufficient One), Centola draws from Scripture and reflection to demonstrate how God’s names speak to every season of life. Each chapter serves as a guided encounter—leading readers beyond knowledge to experience God in prayer, worship, and daily living.

Written with both biblical depth and devotional warmth, *“Divine Encounters”* is designated for pastors, church leaders, study groups, and believers longing for more than surface-level faith. It is both a devotional journey and a scriptural exploration—rich, practical, and spiritually nourishing.

Damiano B. Centola is the author of five published books with Trilogy Christian Publishing, and more than thirty-five additional works completed with Explora Books, which he recently soft-launched at the Manila International Book Fair. Known for blending clarity with depth, Centola’s writings inspire believers to rediscover the wonder of God’s Word and the power of His presence.

“Divine Encounters” stands as a timely resource for devotion, discipleship, and teaching—a call to recover awe and intimacy with the God who still reveals Himself by name.
