

Adeptiv AI Secures \$100K Angel Investment from Earnix Holdings, LLC to Accelerate Responsible AI Innovation

Adeptiv AI announces a \$100K angel investment from Earnix Holdings, LLC to strengthen its AI governance platform, accelerate Responsible AI innovation, and expand its global reach.

Chandigarh, India Nov 11, 2025 ([IssueWire.com](https://www.IssueWire.com)) -

Adeptiv AI, a leading innovator in **AI governance** and **risk management**, has successfully raised an **angel investment of USD 100,000** from **Earnix Holdings, LLC**. This strategic funding marks a key milestone in Adeptiv AI's mission to build **trustworthy, transparent, and ethical AI systems** for

enterprises worldwide.

The investment will be directed toward [advancing Adeptiv AI's core platform](#), enhancing its **Responsible AI governance features**, and strengthening its **risk management and compliance automation capabilities**. Adeptiv AI's technology helps organizations operationalize AI governance — ensuring **accountability, transparency, and adherence to regulatory frameworks** such as the EU AI Act, ISO 42001, and NIST AI RMF.

"This investment from Earnix Holdings reinforces our shared vision of creating an AI ecosystem built on trust, accountability, and resilience," said Mr. Ankit Aggarwal, CEO of Adeptiv AI. "With this support, we will accelerate product innovation, scale our governance solutions, and continue empowering organizations to implement AI responsibly."

The company plans to allocate the funding toward:

- **Product development and R&D** for advanced AI governance tooling
- **Talent expansion** across data science, compliance, and engineering
- **Strategic partnerships** to drive cross-industry adoption of Responsible AI
- **Thought leadership and awareness initiatives** promoting AI ethics and risk transparency

By combining **Earnix Holdings' strategic backing** with Adeptiv AI's deep domain expertise, the company aims to redefine how businesses build and deploy AI — ensuring models are not only **intelligent but also compliant, explainable, and trustworthy**.

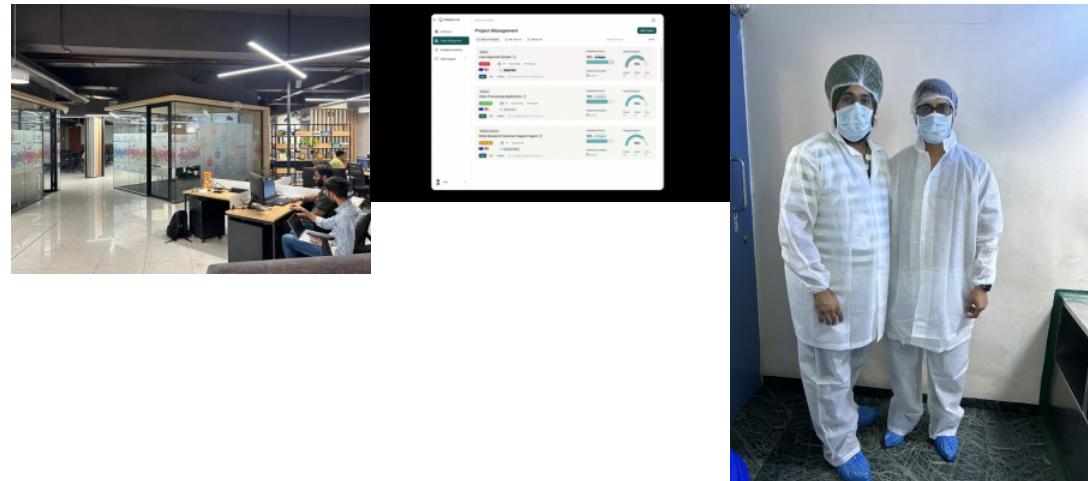

About Adeptiv AI

Adeptiv AI is a next-generation [AI governance and risk management company](#) helping enterprises operationalize Responsible AI.
