Dubai, United Arab Emirates Oct 3, 2025 ([Issuewire.com](https://www.Issuewire.com)) - [Al-Rabiya](#), a trusted supplier of premium auto care products in the Middle East, has announced a special winter season offer designed to support car care professionals. New Partners can enjoy 10% off their first order of premium car care products, helping them prepare vehicles for the challenging winter conditions ahead.

Preparing for winter: meeting customer needs

With winter approaching, car owners are seeking reliable solutions to protect their vehicles from rain, harsh conditions, and unexpected weather events, like the devastating storm that hit Dubai in the winter of 2024. Al-Rabiya's premium Paint Protection Films (PPF) and ceramic coatings enable professionals to deliver the highest standards of protection and performance to their customers.

Preparing together for winter

"We know how important it is for car care professionals to prepare for the winter season, and our goal is to support them with both premium products and competitive pricing," said Ahmed Allaf, sales manager at Al-Rabiya. "By offering 10% off the first order, we're helping our new partners increase profitability while giving their customers the best possible protection for their vehicles."

The promotion provides an opportunity for professionals to access Al-Rabiya's carefully curated range of premium products at a lower cost. This helps businesses increase their margins during the busy winter season while maintaining the high quality that customers expect.

"At Al-Rabiya, we believe in long-term partnerships built on trust and quality," added Allaf. "We are confident in the performance of our products and are committed to offering solutions that meet the needs of both professionals and their customers."

Commitment to quality and growth

Since 2014, Al-Rabiya has built its reputation on delivering a comprehensive range of high-quality auto care products across the Middle East. Working with leading global brands, the company has expanded its offerings to serve both professional car care businesses and direct customers, ensuring that premium products are widely available.
