

An Evening With VNV NATION North American Tour Launches

North American Tour Launched following #1 Album in Germany

New York City, New York Oct 17, 2025 ([Issuewire.com](https://www.issuewire.com)) - VNV Nation, the genre-defying alternative electronic project led by Dublin-born, Hamburg-based Ronan Harris, returns to North America in Spring 2026 with *An Evening With VNV Nation*. Hot off the heels of 2025's *Construct* debuting at #1 on the German Pop-Album Charts and #3 overall, and a run of sold-out European shows, this tour invites fans to experience VNV Nation's remarkable musical evolution firsthand.

Named for the motto "Victory Not Vengeance," VNV Nation's philosophy is all about striving to achieve for the right reasons, rather than dwelling in regret. It's a sentiment reflected in the band's stirring, poetic lyrics and genre-spanning sound—from melodic dance beats and indie-electronic anthems to haunting ballads and post-classical soundtracks. Their legendary live shows pulse with energy and positive emotion, drawing a dedicated and diverse fanbase to headline tours and festival stages on both sides of the Atlantic.

Kicking off April 14th in Nashville, the new tour delivers extra-long sets packed with fan favorites, deep cuts, and brand new material—including the highly anticipated album *Destruct*, a darker, more intense counterpart to *Construct*. Each night also features interactive autograph sessions and fan Q&A, along with the signature visuals that make every show a fully immersive experience.

These will be unmissable events for lovers of alternative and electronic music seeking connection, atmosphere, and emotional resonance.
