

Andrew Hector's Praises in Phrases: Soon the Second Coming (Time is Short) Calls the World to Prepare

Tomah, Wisconsin Oct 7, 2025 ([IssueWire.com](https://www.issuewire.com)) - *Praises in Phrases: Soon the Second Coming (Time is Short)* is a heartfelt and poetic conversation with the Lord, filled with inspired messages about His coming. Written in moments of deep prayer, the words flowed with such speed that the author often did not realize what was written until later reading it back—only to be amazed by the divine messages within.

This book is both a reflection of faith and a powerful call to action. It appeals to every reader to believe in our Lord, our Father God, and the Holy Spirit before it is too late. With urgency and love, it prepares hearts and minds for the return of Jesus Christ and the rapture.

As revealed to the author through prayer, this book itself serves as a “little notice,” echoing Scripture’s warning that the Lord’s coming will arrive suddenly, with little or no warning. *Praises in Phrases* is a spiritual wake-up call for all who read it.

About the Author

Andrew Hector first turned to the Lord in 1989 at the age of 34. Five years later, in 1994, he began receiving inspired writing through prayer—messages that continued until 1998 and eventually formed the foundation of *Praises in Phrases: Soon the Second Coming (Time in Short)*.

Born in Adelaide, South Australia in 1954, Andrew spent much of his twenties traveling across the globe before settling into his trade as a house painter. Today, at 71 years old, he is happily married and living in Queensland, Australia, where he continues to walk faithfully with the Lord and share His message with others.
