Oklahoma City, Oklahoma Oct 22, 2025 ([Issuewire.com](https://www.issuewire.com)) - With a heart rooted in legacy and faith, **Angela Armstrong, LPN**, brings compassionate, personalized home care to clients across **Oklahoma** through her affiliation with the **Advantage Program**. Though she resides in Powderly, Texas, Angela's professional mission is to serve the people of Oklahoma, delivering high-quality, patient-centered care in the comfort of their own homes.

A proud graduate of the East Central University (ECU) LPN program, Angela carries forward a three-generation legacy of nursing. Inspired by her mother and grandmother—both lifelong nurses—Angela felt called to follow in their footsteps. Grounded in her faith, she credits her daily strength and success to God, trusting in divine guidance as she tends to her patients.

“Working in home care is more than a job for me—it’s a vocation,” says Armstrong. “My goal is to help my patients feel valued, safe, and cared for, right where they feel most comfortable: in their own homes.”

Through her work with the **OK Medicaid Advantage (Advantage Waiver) Program**, Angela supports eligible Oklahoma residents who prefer to remain in their homes rather than move to institutional settings. The Advantage Program provides services like case management, personal care, skilled nursing, therapy, and support that allow individuals to maintain independence and dignity while receiving needed care.
