

# Avi Naturals Launches Versatile Fragrance Oils for Soaps & Candles

Delhi, India Oct 16, 2025 ([IssueWire.com](https://www.issuewire.com)) - Avi Naturals Enhances Its Global Portfolio with Versatile Fragrance Oils for Soaps, Candles & Cosmetics

## Summary

Avi Naturals announces the expansion of its product portfolio with a premium collection of fragrance oils, designed to elevate the quality and aroma of soaps, candles, and cosmetic formulations.

Avi Naturals, a leading manufacturer and exporter of essential and carrier oils, has introduced a versatile line of **fragrance oils** tailored for use across **soap making, candle crafting, and cosmetic formulations**. This strategic expansion reflects the brand's commitment to innovation, sustainability, and meeting the evolving needs of global B2B and B2C clients.

Each fragrance oil in the new range is carefully crafted to deliver long-lasting scent performance, excellent blending stability, and skin-safe compatibility. The collection brings together an exceptional blend of sophisticated and modern aromas, featuring distinctive notes such as **Amber Oud, Black Oud, White Oud, Coffee, Cherry Blossom, Lemongrass, Sea Salt, Musk Premium, Cigar, Clean Cotton, Daisy, Mud, Tango and Tuberose** — each designed to inspire and evoke unique moods. Complementing these are other captivating creations like **Butter Scotch, Apple Cinnamon, Kumkumadi, Majmua, Kesar Chandan, Patchouli, and Vanilla Cardamom**, offering an exquisite balance of oriental warmth, floral elegance, and gourmand richness.

From the earthy allure of **Mitti and Woody** tones to the refreshing vibrance of **Cucumber and Green Tea**, every fragrance reflects Avi Naturals' dedication to olfactory innovation and artisanal blending. This diverse palette empowers brands and creators to design soaps, candles, and cosmetic products that embody sophistication, individuality, and lasting sensory appeal.

Speaking on the launch, an Avi Naturals spokesperson said, "Our new fragrance oil range represents the perfect balance between natural inspiration and technical excellence. We've developed these blends to support brands and creators who prioritize both quality and creativity in their formulations."

With an extensive distribution network and strong quality assurance protocols, Avi Naturals ensures that every fragrance oil meets **international quality standards** such as **ISO, GMP, HALAL, and KOSHER**. The oils are available in multiple packaging sizes — from small bottles to bulk drums — making them ideal for **artisan producers as well as large-scale manufacturers**.

This launch further strengthens Avi Naturals' position as a **reliable global supplier** in the personal care and wellness industry. The company continues to focus on research-driven innovation and customer-centric service, empowering businesses worldwide to create products that stand out for their purity, performance, and sensory appeal.
