

Beesquare Publishing Launches Exclusive Book Publishing Package for Aspiring Authors at INR 5,999

Hyderabad, Telangana Oct 8, 2025 ([Issuewire.com](https://www.issuewire.com)) - Beesquare Publishing Works is thrilled to announce a special limited-time offer for new authors to transform their manuscripts into professionally published books accessible worldwide. The newly introduced book publishing package, available for the first 100 authors only, is priced attractively at INR 5,999.

This comprehensive package is tailored to empower authors with a smooth, transparent, and rewarding publishing experience. Highlights of the package include an official ISBN registration for the book, ensuring global identification and legitimacy. Authors benefit from worldwide book distribution with availability on over 100 online stores, including giants like Amazon, Flipkart, Everand, Kobo, as well as prominent international bookstores and libraries.

The package also converts manuscripts into Kindle-ready eBooks distributed across major digital platforms, maximizing reach for digital readers. Authors retain an impressive 85% share of their book sales revenue after distribution charges. To keep authors informed, monthly sales performance reports are delivered directly to their email.

A personalized author website with a choice of .in or .co.in domain is included at no extra cost, enhancing author branding and marketing efforts. To kickstart promotional activities, Bee Square features authors' books on its vibrant social media platforms. Authors also receive 2 free complimentary printed copies, along with an optional add-on of 200 professional visiting cards for networking.

Beesquare guarantees original and copyright-compliant content, with a non-exclusive agreement allowing authors to retain full rights to their work. The package includes basic book design and interior layout, finalized by Beesquare's creative publishing team. Project completion is promised within 3 weeks after final manuscript submission, ensuring swift publication.

This launch offer represents a unique opportunity for aspiring writers to seamlessly publish and distribute their books globally with professional support and exceptional author benefits.
