

Best-Selling Author Zak Martin to Launch International Intuition Training Centre in Granada

Irish-born author Zak Martin brings his SuperINTUITION program to Europe with plans for global rollout and online access.

London, United Kingdom Oct 30, 2025 ([IssueWire.com](https://www.issuewire.com)) - Internationally acclaimed author and advisor **Zak Martin** has announced the launch of a groundbreaking new training centre in **Granada, Spain**, dedicated to helping individuals unlock and harness their intuitive and extrasensory abilities. Scheduled to open in early 2026, the centre will serve as the headquarters for Martin's flagship program, [SuperINTUITION](#) — an advanced system for developing practical intuition and higher awareness.

Through **SuperINTUITION**, participants will learn to access and refine their intuitive intelligence to make better decisions, enhance communication, boost creativity, build stronger relationships, and achieve greater success in both personal and professional life.

While the first centre will open in Granada, the program is designed for **global reach**. SuperINTUITION will soon be made available **online** and through **partner centres in other countries**, allowing individuals worldwide to benefit from Martin's pioneering methods.

Martin is best known as the author of the worldwide best-selling ***How to Develop Your ESP*** (HarperCollins), which has sold more than two million copies across multiple languages, and ***Quantum Perception***, an acclaimed exploration of consciousness and the science of extrasensory phenomena. His work has introduced millions of readers to the practical applications of intuitive and extrasensory development.

"Intuition is not a mystery—it's a natural faculty we all possess," said Martin. "When we learn to recognize and develop these inner signals, we gain access to a deeper intelligence that can transform how we make choices, create, and connect with others."

The Granada centre will offer immersive courses, workshops, and personalized mentoring under Martin's direct supervision. Combining **scientific insight with practical training**, it will be the **first centre of its kind in Europe** devoted exclusively to systematic intuitive development — and the launchpad for an international movement bringing intuitive education into the mainstream.
