Mont-Laurier, Quebec Oct 31, 2025 ([Issuewire.com](https://www.issuewire.com)) - Anthony Gibault Expands His Real Estate and Tourism Projects with Groupe Gibault

Canadian entrepreneur **Anthony Gibault**, founder of **Groupe Gibault**, continues to redefine real estate

development and hospitality in Quebec. Through Groupe Gibault, he leads innovative projects that combine **luxury, sustainability, innovation, and community impact**, including the flagship **Domaine Pine Hill**—now recognized as a benchmark in the Laurentides region for high-end real estate and experiential tourism.

Domaine Pine Hill: A Landmark Development in the Laurentides

Domaine Pine Hill is an ambitious project that brings together luxury chalets, spa facilities, leisure areas, and world-class recreational infrastructure. The development stands out for its elegant design, harmonious integration with the natural environment, and its ability to attract visitors and investors seeking high-quality residential and tourism experiences. The project has generated considerable interest among media outlets, business partners, and tourism stakeholders, particularly for its potential to boost both the local and regional economy while providing exceptional guest experiences.

An Entrepreneurial Journey Defined by Innovation

Anthony Gibault began his entrepreneurial journey at a young age, exploring **digital marketing, online project management, and brand development**. These early experiences allowed him to understand the dynamics of rapid growth, team leadership, and the importance of strategic market presence. Building on this expertise, he gradually expanded into **real estate and hospitality**, where he became recognized for his ability to design integrated projects that combine innovation, comfort, and customer experience.

His philosophy is simple yet powerful: **to create lasting value**—for clients as well as for the communities in which his projects are developed. For him, a successful project is not only measured by its return on investment but also by its **positive impact on the environment, the social fabric, and local economic growth**.

Groupe Gibault: Vision, Strategy, and Excellence

Since its creation, **Groupe Gibault** has established itself as a major player in real estate, hospitality, and tourism development in Quebec. The group focuses its efforts on three main areas:

- **Residential and luxury real estate development**, combining aesthetic appeal, comfort, and sustainability.
- **Hotel and tourism management**, creating unique and high-quality guest experiences.
- **Innovation and sustainability**, integrating modern technologies and responsible practices into every project.

Domaine Pine Hill perfectly embodies this vision—an ambitious project that combines modern architecture, premium comfort, and environmental respect while offering visitors an immersive experience in the natural beauty of the Laurentides.

Impact on the Region and the Tourism Sector

Anthony Gibault's projects go beyond real estate and hospitality. They generate a **significant economic impact** through local job creation, regional infrastructure development, and the promotion of

luxury tourism. The initiatives of Groupe Gibault strengthen the reputation of the **Laurentides region** as a preferred destination for luxury stays and leisure activities, while also encouraging private investment and supporting the local business ecosystem.

Digital and Media Presence

Anthony Gibault regularly shares updates on his projects and initiatives through his online platforms, allowing him to maintain a strong and credible visibility with both the public and investors:
