

Clear Cure Billing Enhances Oral Surgery Practices with Specialized Dental Billing Support

CLEAR CURE

BILLING

East Lansing, Michigan Oct 10, 2025 ([IssueWire.com](https://www.issuewire.com)) - Clear Cure Billing, a leading provider of comprehensive medical and dental billing solutions across the United States, is proud to announce its specialized dental billing support tailored for oral surgery practices. Recognizing the unique challenges in oral surgery billing, Clear Cure Billing offers expert services to ensure accurate coding, timely reimbursements, and streamlined revenue cycle management.

Oral surgery procedures often involve complex billing scenarios, including the use of both dental and medical insurance, various coding systems, and detailed documentation requirements. Clear Cure Billing's specialized support addresses these complexities by providing:

- **Expert Coding and Documentation:** Ensuring the correct application of CDT and CPT codes, along with comprehensive narratives and necessary attachments, to support claims.
- **Dual Insurance Coordination:** Managing claims that involve both dental and medical insurance, including verification of benefits and pre-authorizations.
- **Denial Management and Appeals:** Proactively addressing claim denials and rejections through thorough follow-up and appeals processes.
- **Comprehensive Revenue Cycle Management:** Overseeing the entire billing process, from

patient registration to final payment, to optimize cash flow and reduce administrative burdens.
