

Dahhan Business Services Offers 20% Discount on Business Setups Amid GITEX 2025

Leading business consultancy in Dubai, Dahhan Business Services, announces an exclusive discount of up to 20% off on new business setups amid GITEX Global 2025.

Dubai, United Arab Emirates Nov 6, 2025 ([Issuewire.com](https://www.issuewire.com)) - GITEX Global 2025, held from October 13 to 17 at the Dubai World Trade Center, stands as the Middle East's largest and most influential technology exhibition. The 45th edition of the event attracted over 6,800 exhibitors and 200,000 visitors from more than 180 countries, underscoring Dubai's position as a global leader in technology and innovation. This tech event serves as a platform for showcasing cutting-edge technologies, industry trends, and business opportunities across various sectors, including AI, fintech, sustainable tech, and smart cities.

As GITEX GLOBAL 2025 wraps up its landmark 45th edition at the Dubai World Trade Center, the leading provider of [business setup in Dubai](#) announced a limited-time offer of up to 20% discount on new business setups, aimed at those who gained fresh business ideas from the event's highlights and AI initiatives.

"GITEX GLOBAL 2025 has once again proven Dubai's position as a global hub for tech and innovation," said a spokesperson from Dahhan Business Services. "We've seen countless attendees buzzing with business ideas in AI-driven solutions, sustainable tech, and biotech ventures. Our offer is designed to turn those inspirations into reality by simplifying the [mainland business setup](#) process in the UAE."

Entrepreneurs eyeing opportunities in free zones, mainland setups, or e-commerce ventures can benefit

from this promotion, which covers comprehensive services including visa processing, bank account assistance, and regulatory compliance. With Dubai's strategic location, tax advantages, and supportive infrastructure, starting a business in Dubai has never been more appealing for GITEX-inspired startups.

Since its establishment in 2013, Dahhan Business Services has assisted thousands of corporates and entrepreneurs in navigating UAE business setup requirements efficiently and cost-effectively. This special offer underscores the company's commitment to fostering entrepreneurship in the UAE amid events like GITEX that highlight Dubai's role in the global tech landscape.

Interested parties are encouraged to visit dahhanbiz.com to claim the 20% discount and schedule a free consultation with experienced business consultants in Dubai.
