

Dantam Dental Clinic Expands Service Offering with Advanced Implant & Cosmetic Dentistry Unit at Shapur Nagar

New state-of-the-art dental technology aims to enhance patient access to modern implant and smile-rehabilitation care in North-West Hyderabad

Hyderabad, Telangana Oct 31, 2025 ([Issuewire.com](https://www.issuewire.com)) - [Dantam Dental Clinic in Shapur Nagar](#) has announced the launch of its upgraded Implant & Cosmetic Dentistry Unit, enhancing access to modern dental implant solutions and smile-rehabilitation procedures for residents of Shapur Nagar, Jeedimetla, Chinthal, IDPL Colony, Suraram, and nearby areas.

Situated on Shapur Nagar Main Road, Phase 1, the clinic now features advanced dental technology, including digital X-ray imaging, 3D CBCT-based planning for precision implants, and intraoral scanners for customised crowns and veneers. With these clinical upgrades, Dantam Dental Clinic offers end-to-end services—from digital diagnosis and treatment planning to implant placement and post-treatment follow-ups—under one roof.

“We are introducing this enhanced facility to ensure patients in our locality have direct access to

modern, minimally invasive and aesthetic dental solutions,” said **Dr. Allu Harini**, Chief Dentist at Dantam Dental Clinic, Shapur Nagar. “Our focus remains on comfort-first dentistry, transparent treatment planning, and long-term oral health outcomes for patients of all age groups.”

The clinic now provides services including dental implants, implant-supported dentures, full-arch dental restoration, aesthetic veneers, professional teeth whitening, root canal treatment, preventive dentistry, orthodontic guidance, and custom smile-design treatments.

Along with clinical enhancements, Dantam has strengthened sterilization standards, introduced digital patient records, and expanded appointment slots—including weekend hours—to support convenience for working professionals and families.
