

Daughter of late actor, Tim Considine to join Edison Records

Johnston, Rhode Island Nov 6, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Anna Considine announces music career talks with Edison Records; embraces lifelong passion for songwriting, and singing.

Anna Considine, daughter of late actor Tim Considine, has entered discussions with Edison Records to launch a professional music career. At 45, Considine says she is ready to follow a lifelong passion for songwriting, and singing, describing the moment as, "better late than never."

Considine shared in a recent interview that music has always been central to her life, and she is now committed to turning that private devotion into a public artistic endeavor. Edison Records has confirmed exploratory conversations with Considine about developing original material, studio sessions, and potential release plans. Those talks are focused on showcasing her songwriting, voice, and vocal style while honoring the authenticity she has cultivated over years of private practice, and creative works.

"As someone who grew up surrounded by story telling, I've always wanted to tell my own stories through music." Considine said. "I'm excited to finally bring songs that matter to me into the world, and I'm grateful to be working with a label that's respects my creative process."

Anna Considine is a writer, and singer emerging from a lifelong engagement with storytelling, and music. Daughter of the late actor Tim Considine, she blends personal narrative with melodic craftsmanship. Considine is focused on songwriting that connects emotionally and remains true to her artistic vision.
