

Dr. Shishir Pandey: Leading Neurologist and Stroke Expert Strengthening Neurocare in Delhi-NCR

Renowned for his dual specialization and patient-centered approach to neurological excellence

New Delhi, Delhi Oct 31, 2025 ([Issuewire.com](https://www.issuewire.com)) - Dr. Shishir Pandey, widely recognized as one of the [best neurologists in Delhi](#), continues to redefine neurological care with his patient-centered approach and advanced expertise in Myopathy Treatment in Delhi. With dual specialization in Internal Medicine (MD) and Neurology (DrNB), Dr. Pandey brings a rare blend of clinical depth and holistic patient understanding to the forefront of neurocare.

Currently serving as a Consultant Neurologist at Felix Hospital, Noida (Sector 137), Dr. Pandey has earned the trust of patients and peers alike through his meticulous diagnostics, compassionate communication, and commitment to long-term neurological health. His previous experience at Manipal Hospital and specialized neuro training at Indraprastha Apollo Hospital, New Delhi, have further strengthened his reputation as a leading neurologist in the region.

Specialized Myopathy Treatment in Delhi

Dr. Pandey has emerged as a trusted name in the management of myopathy and other neuromuscular disorders, providing precise diagnosis and personalized therapy plans. His evidence-based approach focuses on improving muscle strength, minimizing disease progression, and enhancing patients' quality of life.

In addition to myopathy, Dr. Pandey's core areas of expertise include:

- Stroke Management & Rehabilitation
- Epilepsy & Seizure Disorders
- Parkinson's Disease & Movement Disorders
- Migraine & Headache Treatment
- Dementia & Memory Disorders
- Vertigo & Balance Disorders

His comprehensive neurocare strategy integrates advanced imaging, lab-based assessments, and multidisciplinary treatment planning - ensuring every patient receives the highest standard of care.

Trusted by Leading Hospitals and Patients Across India

Known for his ability to simplify complex neurological concepts, Dr. Pandey is deeply committed to patient education and preventive neurology. His calm, compassionate manner helps patients and families navigate challenging diagnoses with clarity and confidence.

“My goal is to combine science with sensitivity,” said Dr. Shishir Pandey. “Every patient deserves clarity, empathy, and evidence-based care - that’s how we build trust and transform outcomes.”
