The Tunes Club is here with the sweetest treat of all! Spotify is the biggest music streaming platform, and standing out there takes more than great music. Artists need strong marketing to reach real listeners, and The Tunes Club makes this process a lot better. The company is trusted for its affordable and effective promotion that helps artists grow and build their audience. To celebrate this Halloween, The Tunes Club is giving a **flat 15% discount** on all promotion packages from the **21st to the 28th of October**. It is the best time to push your music forward and save money while doing it. For artists looking to grow, this offer is a chance to level up.

The Tunes Club carefully plans each promotion package to keep it organic and effective for the musicians. The [Spotify Promotion Services](#) company helps artists grow by placing their songs on handpicked Spotify playlists that bring real exposure and boost their full catalog. Along with playlist placements, The Tunes Club also handles content and social media marketing to increase streams naturally and reach new listeners beyond Spotify. What makes the platform stand out is its affordable pricing. Its marketing services are designed to fit independent artists' budgets while still delivering strong results. With the upcoming sale, the deal becomes even better. Artists can promote their tracks, reach new fans, expand their audience base, and grow their following without overspending. This limited-time offer gives musicians the extra boost they need to move forward and connect with more people. This is also the perfect time to get noticed with a proven promotion that truly works.

The Tunes Club has spent years helping artists grow their audience and gain recognition worldwide. The company is well-known for its strong Spotify promotion campaigns that support artists at every stage of their careers. It offers four flexible packages so musicians can pick what fits their goals best. One popular choice is the 'Spotify Marketing Package', built to promote a single track. It places the song on more than **60 curated playlists** and reaches about **3,000 to 3,500 listeners**. The package also includes social media promotion across Facebook, Instagram, Twitter, and Pinterest, where the brand has over 100k followers. Artists receive a full campaign report once it is done. Another solid option is the 'Spotify Promotion Pack', which promotes two tracks and adds them to **90 or more playlists**, reaching up to **7,500 listeners**. This plan also includes a paid press release and social media sharing. With trusted results and flexible pricing, The Tunes Club remains a dependable partner for serious music promotion.

The third plan from The Tunes Club, the 'Spotify Marketing Pro Pack', is made to promote up to three songs. These tracks are added to more than **120 curated playlists**, reaching around **10,000 to 11,000 listeners**. It also includes a **press release** and a **music blog** feature to improve visibility. The top-tier plan is the 'Spotify Promotion Pro Pack', which promotes up to four tracks and places them in over **180 playlists**. It focuses on matching the songs with the right audience based on genre and style. This package reaches **14,000 to 15,000 listeners** and includes a paid press release, a blog feature, and an artist review. Both plans are designed to grow real fans and maximize reach.

The Tunes Club delivers on every campaign, making the dream of artists increasing their reach on Spotify come true. Have yourself a night of fright with the company's pack of delights! Get a **flat 15% off** on every package, **from 21-28 October**.
