Eco Wreckers is a trusted name in Australian car recycling. They are becoming one of Brisbane's most

reliable [Car Wreckers](#). The company combines top cash offers, free car removal, and sustainable vehicle dismantling to create an efficient, environmentally responsible solution for unwanted cars throughout Queensland.

About Eco Wreckers

Located at **50 Macbarry Place, Rocklea, QLD**, **Eco Wreckers** has earned a strong reputation as a leader among Brisbane's **Car Wreckers**. With years of experience in auto recycling, they specialize in buying all types of vehicles — regardless of make, model, or condition — and ensuring every vehicle is dismantled, recycled, and disposed of responsibly.

From cars and SUVs to 4WDs, vans, and trucks, **Eco Wreckers** provides a streamlined process for anyone looking to sell their old, damaged, or unwanted vehicle while contributing to a cleaner environment.

Why Choose Eco Wreckers as Your Trusted Car Wreckers Top Cash for Cars

Eco Wreckers offers competitive cash payouts of up to **\$9,999**, depending on the make and condition of the vehicle. Customers receive instant payment at pickup, with no hidden fees or deductions.

Free Car Removal Brisbane-Wide

Their free car removal service operates across Brisbane and surrounding areas, including Ipswich, Logan, Gold Coast, Sunshine Coast, and Caboolture. Eco Wreckers ensures same-day or next-day pickup for maximum convenience.

All Makes and Models Accepted

From Toyota, Nissan, Mazda, and Honda to Ford, Holden, BMW, and Mercedes-Benz — Eco Wreckers buys them all. Whether your vehicle is running, wrecked, unregistered, or completely non-functional, they'll still make an offer.

Eco-Friendly Vehicle Recycling

As their name suggests, **Eco Wreckers** is committed to sustainable practices. Every car is carefully dismantled, reusable parts are salvaged, and hazardous materials are safely disposed of to minimize environmental impact.

Wide Range of Used Auto Parts

Eco Wreckers also supplies affordable, high-quality used car parts for repairs and replacements. Their inventory includes engines, transmissions, alternators, radiators, and more — helping car owners save money while supporting circular economy initiatives.

Commitment to Sustainability

Eco Wreckers' mission goes beyond dismantling cars — it's about **building a greener future for the automotive industry**. By promoting reuse and responsible recycling, they help reduce landfill waste, conserve resources, and cut down carbon emissions generated by new car part production.

“At Eco Wreckers, we’re not just car wreckers — we’re sustainability partners for every vehicle owner,” said a company spokesperson. “We believe every car deserves a responsible end of life, and we make that process profitable, simple, and eco-friendly.”
