

Eylsia Nicolas Shatters Global Music Records, Defies Odds with Historic Chart Domination

Filipina-Irish sensation defies lung damage to dominate charts

Palm Beach, Florida Oct 12, 2025 ([Issuewire.com](https://www.issuewire.com)) - Filipina-Irish sensation Eylsia Nicolas has achieved what few artists in history have managed: seven of the top ten spots on the Groover Singer-Songwriter Global Charts, including the coveted #1 position for four consecutive weeks.

This milestone cements Nicolas as one of the most versatile and resilient voices in contemporary music,

drawing comparisons to legendary chart runs by The Beatles.

Newsworthy Highlights for Global Pickup

Historic Chart Domination: Seven of the top ten global singer-songwriter hits, with four straight weeks at #1.

Multi-Genre Record: Last month, Nicolas became the first artist ever to chart simultaneously in six different genres on a legitimate global chart.

From Tennis Prodigy to Pop Icon: Youngest winner of the Irish Open, former competitor at Wimbledon and the US Open, before injuries ended her tennis career.

Entrepreneurial Force: Transitioned into business as a record company executive and serial entrepreneur, before returning to her first love—music.

Defying Medical Odds: After a COVID-19 vaccination left her with 20% permanent lung damage and chronic respiratory bleeding, Nicolas continues to perform with the aid of sound technology and 10–15% AI vocal support.

Upcoming World Tour: Plans for a global tour following the release of her highly anticipated holiday single, “Hot, Hot Christmas.”

Inspirational Story: A narrative of resilience, reinvention, and innovation that resonates across cultures and industries.
