SINGAPORE 2025

Ahmedabad, Gujarat Oct 31, 2025 ([Issuewire.com](https://www.issuewire.com)) - At the prestigious **ITMA Asia + CITME Singapore 2025**, **Fibre2Fashion** once again emerged as the trusted platform connecting global textile industry leaders. The team had an insightful interaction with **Mr. Jason Kent, CEO of the British Textile Machinery Association (BTMA)**, discussing the strengthening partnership between the **UK**

## and India.

During the conversation, Mr. Kent highlighted that the **UK-India Free Trade Agreement (FTA)** is set to become a *catalyst for deeper collaboration and sustainable growth* in the textile machinery sector. “We see enormous opportunities in the year ahead, this partnership goes beyond 2025,” said Mr. Kent, emphasizing the promising horizon for both nations’ textile industries.

As global textile innovation takes center stage in Singapore, Fibre2Fashion continues to play a pivotal role in bridging international markets and fostering business alliances across regions.

The UK-India dialogue marks a significant milestone in the journey toward sustainable, technology-driven growth in the textile sector.

**Fibre2Fashion** remains committed to being the platform of choice for industry insights, trade intelligence, and international networking opportunities.
