

Frenzone Live: A New Era for Content Creators Emerges from Toronto

Toronto, Ontario Nov 6, 2025 ([Issuewire.com](https://www.issuewire.com)) - A new social media platform, **Frenzone.Live**, has officially launched under the leadership of **Mike Marouf**, a Canadian-Romanian entrepreneur with Lebanese roots, and **Ali Shokat**, a Swedish-Lebanese tech innovator. Headquartered in Toronto, Frenzone.Live aims to redefine the creator economy by empowering digital creators across the **MENA region** and beyond with tools to **monetize their content, connect authentically, and grow their communities**.

Frenzone.Live stands out as a **creator-first ecosystem**, offering an all-in-one platform that merges **live streaming, paywalled content, tipping systems, brand collaborations, fan subscriptions, and live challenges**—all designed to help creators earn more while staying connected to their audiences. The platform ensures that **creators retain 60% of their revenue**, marking one of the most generous payout structures in the industry.

“Our mission with Frenzone.Live is to **bridge the gap between entertainment and opportunity**,” said **Mike Marouf**, Founder and CEO. “Creators deserve more control, more revenue, and more recognition. Frenzone.Live gives them the tools to build their own economy, on their own terms.”

Co-founder **Ali Shokat** added, “We’re focused on **authentic connection and sustainable income**. Frenzone.Live is not just another social app—it’s a movement that empowers creators to own their influence.”

The platform’s sleek interface and localized features are tailored for the fast-growing creator communities in the **Middle East and North Africa**, providing seamless bilingual support and innovative engagement tools. Frenzone.Live is now **available on the App Store**, with Android and web versions launching soon.

With its multicultural leadership, bold vision, and deep commitment to digital freedom, Frenzone.Live is set to become a **global hub for creators** who want to turn passion into profit.
