The project marks another important step in Jessik's artistic journey, following the success of her previous releases — including “Sal e Luz,” a collaboration with one of Brazil's leading rock artists, and “Livra-me de Mim,” which received consideration at the Latin GRAMMY Awards.

Initially released as a music video, “Funnel” will soon be available on all major streaming platforms. The project brings together top names in music: music production by Flávio Souza, video direction by Rodrigo Pysi, and distribution by Labidad — resulting in a bold and internationally aligned artistic concept.
