

Guide Immo Unveils Québec's Top Condominium Projects for 2025

Guide Immo, Québec's leading directory for new residential developments, has released its 2025 Ranking of the Most Popular Condominium Projects for Sale. Available on latwist.immo, the list highlights projects that have generated the most interest.

Montreal, Quebec Oct 16, 2025 ([IssueWire.com](https://www.issuewire.com)) - *Guide Immo*, Québec's trusted online directory for new residential developments, has released its **2025 edition of the Top Condominium Projects for Sale**. This new ranking, now live on latwist.immo, showcases **23 standout condo developments** that have generated remarkable interest from homebuyers across the province.

Real Buyer Insights at the Heart of the Ranking

Each year, *Guide Immo* evaluates new construction projects across Québec using an **evidence-based scoring system** built on verified buyer feedback. This approach ensures that the results reflect **genuine user experience** rather than promotional claims.

"The strength of our ranking comes from the people who use it," explains *Mercedes Coutu*, Co-Founder of *Guide Immo*. "In just four years, activity on our platform has increased by **460%**, showing how much buyers value transparency when choosing their next home."

A Window into Québec's New Construction Market

The **2025 list** features condo projects that stand out for their **architecture, amenities, location, and price range**. From Montréal's vibrant downtown to emerging regional communities, these developments represent the diversity and growth of Québec's real estate market.
