

Hitech Group Establishes Regional Headquarters in Riyadh to Drive Vision 100 and 5X Growth Strategy

Ar-Riyad, Saudi Arabia Nov 3, 2025 ([Issuewire.com](https://www.issuewire.com)) - [Hitech Group](#) proudly announces that it has received official approval from the Ministry of Investment of Saudi Arabia (MISA) to establish its Regional Headquarters (RHQ) in Riyadh, marking a transformative milestone in the Group's journey toward its Vision 100 and 5X growth goal by 2030.

Regional Powerhouse for Innovation and Leadership

[Hitech Fence](#) Ltd (UK) serves as the global holding company of Hitech Group, with thriving operations in Saudi Arabia, UAE, and the UK/EU region. With its RHQ now established in Riyadh, Hitech is strategically centralizing key corporate functions to:

- Lead Research, Development & Innovation (RDI) initiatives across markets.
- Unify Marketing, Sales, and Governance under one regional command center.
- Drive regional collaboration and agility through a centralized decision-making model.
- Strengthen partnerships and investment in Saudi Arabia, reinforcing its commitment to Vision 2030 and the Local Content Development Program.

Powering 5X Growth with Vision 100

The RHQ in Riyadh is not just an office — it's the nerve center of Hitech's transformation. It will serve as the launchpad for regional expansion, with a targeted strategy to:

- Multiply revenues 5X over five years.
- Expand product portfolios in fencing, steel, home innovation, and smart infrastructure.
- Localize manufacturing and enhance supply chain resilience.
- Lead industry transformation by fostering innovation and sustainability.

Leadership Statement

"This RHQ approval from MISA marks a bold new chapter in our journey. It reflects our deep commitment to Saudi Arabia as the epicenter of innovation, operations, and leadership for the entire MENA region. Through this strategic move, we are better positioned to accelerate Vision 2030 objectives, contribute meaningfully to local content, and achieve our Vision 100 mission."
