

Husaina Metal Industries Expands Metal Wire Laundry Hangers Production to Serve GCC Businesses

Husaina Metal Industries increases Bulk wire hangers production capacity to meet growing wholesale demand from laundries and garment service providers.

Ras al-Khaymah, United Arab Emirates Oct 29, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Husaina Metal Industries LLC, a prominent name in wire manufacturing across the UAE, has announced a significant capacity expansion to produce [bulk wire hangers](#) tailored for laundries, dry cleaners, and apparel exporters seeking reliable, large-volume hanger solutions.

The move comes as regional and export markets witness increasing demand for high-strength, uniform wire hangers suitable for continuous industrial use. Husaina's upgraded facility integrates precision forming and automated coating technology, ensuring consistent quality across all high-quality wire hangers while maintaining affordability for large-scale buyers.

According to company sources, the expansion will enhance production efficiency by over 30%, allowing Husaina to deliver on both domestic and international bulk orders with reduced lead times. The company continues to prioritize sustainability by manufacturing using recyclable materials and energy-efficient processes.

"Business clients today expect both reliability and value," said **Ismail Badri for Husaina Metal Industries LLC**. "Our focus on metal wire hangers is part of a broader strategy to strengthen our supply capabilities for laundry chains, uniform services, and hotel procurement departments."

In an industry increasingly driven by efficiency and durability, bulk wire hangers remain a practical choice for high-volume laundry facilities. They provide uniformity in garment presentation, minimize deformation, and reduce operational waste compared to plastic alternatives.

Husaina Metal Industries LLC's product line is built for endurance and professional finish—key aspects that attract commercial clients who rely on continuous cycles of garment washing, pressing, and delivery.

With an established reputation for precision and service, Husaina Metal Industries LLC continues to expand its footprint across the GCC, providing clients direct access to manufacturing expertise and bulk supply assurance through <https://husaina.com/hanger>
