DEAL ALERT

Exclusive advisor to Castaliaz Technologies, a SAP Gold Partner, on its acquisition by Prolifics Corporation

#M&A #SAP #S4Hana #crossborder #India #US

Bengaluru, Karnataka Oct 15, 2025 (Issuewire.com) - iliant Capital Advisors is pleased to announce the successful closure of the acquisition of **Castaliaz Technologies Pvt. Ltd.**, an SAP Gold Partner, by **Prolifics**, a global digital transformation leader. The transaction, exclusively advised by iliant Capital, enhances Prolifics' SAP capabilities, combining deep SAP S/4HANA expertise, certified delivery operations, and industry accelerators into a full-scale solution provider for end-to-end SAP

transformation and managed services worldwide.

This deal further solidifies iliant Capital's position as the leading advisor in the SAP ecosystem in India, with the most number of SAP-focused M&A and growth capital transactions closed in the region.

About iliant Capital Advisors

iliant Capital Advisors is a boutique investment bank specializing in growth funding, M&A advisory, and helping companies achieve their strategic financial goals, with a focus on technology, financial services, and consumer sectors.

About Castaliaz

Castaliaz, founded in 2008 and based in Mumbai, specializes in delivering complex, business-critical SAP programs for mid-market and large enterprises. With expertise across RISE with SAP, cloud hosting, and BTP implementations, it has successfully served over 50 clients across diverse industries.

About Prolifics

Prolifics, founded in 1978, is a global digital engineering and technology consulting firm that helps businesses with their digital transformation journeys, specializing in areas like Data & AI, cloud, integration, automation, and testing.
